PATIENT FINANCIAL POLICY

Thank you for choosing us as your health care provider. In order to reduce confusion and misunderstanding between our patients and the practice, we have adopted the following financial policies. If you have any questions regarding these policies please discuss your concerns with our business office. We are dedicated to providing the best possible care and regard your complete understanding as an essential element of your care and treatment.

PAYMENT IS DUE AT THE TIME OF SERVICE. For your convenience, we accept VISA, MasterCard, Discover, American Express, cash and check.

INSURANCE

If you are a member of an insurance plan with which we participate, we will file your primary insurance for you. At each appointment you will be expected to pay the authorized co-payment and estimated unmet deductible, and/or co-insurance. You will receive a statement for any additional charges your insurance company deems your responsibility after processing your claim. Should your insurance delay payment for more than 120 days, you may be held responsible for full payment of the amount charged. Please check with the office staff to verify our participation with your particular insurance company or plan. If you have insurance coverage with a plan for which we do not have a contract agreement, you will be considered a self-pay patient and will be charged in full for your treatment at the time of service. If you have out-of-network benefits, your insurance generally pays at a lower percentage and deductibles could apply. It will be your responsibility to provide us with complete & current insurance information in order to file your claim. If you fail to provide complete and current insurance information you will be responsible for all charges unpaid by insurance. You will also need to provide us with a signed authorization enabling direct payment to our office. All insurance coverage is a matter between you and your insurance company, and you are ultimately responsible for payment.

REFERRALS / AUTHORIZATIONS

If you have a policy with a Health Maintenance Organization (HMO, MC, POS, or EPO) it is your responsibility to obtain a referral from your primary care physician for your visits.

RETURNED CHECKS

A service fee of $25.00 will be charged for any returned check. If we receive a return check from you, all future payments will be required in the form of cash or credit card.

I have read and understand the financial policy and I agree to be bound by its terms. By signing below, I assume full responsibility for any balance owed after my insurance plan has paid. (NOTE: Even if you refuse to sign this form and you elect to receive services – You are still 100% responsible for any fees.)

CANCELLATION AND NO SHOW POLICY

We understand that situations arise in which you must cancel your appointment. It is therefore requested that if you must cancel your appointment you provide more than **24 hours notice**. This will enable for another person who is waiting for an appointment to be scheduled in that appointment slot. Cancellations made less than 24 hours notice, we are unable to offer that slot to other people.

Office appointments which are cancelled with less than 24 hours notification may be subject to a **$50.00** cancellation fee. Procedure cancellations require 5-7 business day advance notice, without notification they may be subject to a **$150.00** cancellation fee. Patients who do not show up for their appointment without a call to cancel an office appointment or procedure appointment will be considered as NO SHOW.

Patients who No-Show two (2) or more times in a 12 month period, may be dismissed from the practice thus they will be denied any future appointments. Patients may also be subject to a **$50.00** fee for office appointment No Show and **$150.00** procedure No Show fee.

The Cancellation and No Show fees are the sole responsibility of the patient and must be paid in full before the patient's next appointment.

We understand that Special unavoidable circumstances may cause you to cancel within 24 hours. Fees in this instance may be waived but only with management approval.

Our practice firmly believes that good physician/patient relationship is based upon understanding and good communication.

Please sign that you have read, understand and agree to this Cancellation and No show Policy.
